Meeting Online in 2021
OLLI San Francisco State, one of 124 Osher Lifelong Learning Institutes nationwide, is a close community of inquiring adults, age 50+, who believe in lifelong learning, engagement, and exploration. OLLI instructors are experts in their fields, skilled educators who are enthusiastic about teaching our members.

At OLLI, over 100 discussion-encouraging classes are offered annually. There are no exams or grades and readings are always optional. We invite you to delve into subjects you may have been interested in for years but simply didn’t have time to study.

**Classes held online until it is safe to resume in-person meetings.**
